## **The Lunar New Year Festival**

The Lunar New Year, also known as Chinese New Year, is a major holiday in many Asian cultures. It's a time to celebrate the new year and to honor ancestors. The holiday is usually celebrated for 15 days, with the main festivities taking place on the first day of the new year.

In China, the Lunar New Year is celebrated with a variety of traditions, including:

\* Eating traditional foods, such as dumplings and spring rolls \* Exchanging red envelopes filled with money \* Attending dragon and lion dances \* Setting off fireworks

The PJ Masks are excited to experience all of these traditions for themselves. They're especially looking forward to trying some of the delicious Chinese New Year food.

## **PJ Masks Save the Lunar New Year**

The PJ Masks are enjoying the Lunar New Year festival when they suddenly hear a loud crash. They rush to the source of the noise and find that the Lunar New Year dragon has been knocked over. The dragon is an important part of the festival, and the PJ Masks know that they have to fix it.

The PJ Masks quickly transform into their superhero costumes and use their powers to put the dragon back together. Once the dragon is fixed, the PJ Masks help to lead the Lunar New Year parade. They're proud to be able to help make the holiday special for everyone.

The PJ Masks had a wonderful time celebrating the Lunar New Year. They learned about Chinese culture, tried new foods, and made new friends. They also proved that they're always ready to help others, even on special holidays.
