The novel begins with Meredith Sutton, a woman who has spent the past decade avoiding her family. After a painful childhood, she cut off contact with her parents and siblings, and has been living a quiet life on her own. But when she receives a letter from her mother, inviting her to come home for Christmas, she decides to face her past and give her family another chance.

Meredith's arrival at Hickory Grove, her family's ancestral home, is met with mixed emotions. Her parents are overjoyed to see her, but her siblings are more hesitant. They have all been hurt by Meredith's absence, and they are not sure if they can forgive her.

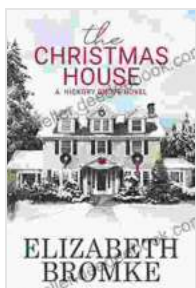

But as the days leading up to Christmas go by, the family begins to heal. They share memories, laughter, and tears, and they slowly start to rebuild the bonds that were broken so many years ago. And as the Christmas spirit fills the house, Meredith realizes that she has finally found the love and redemption she has been searching for.

The Christmas House Hickory Grove is a heartwarming story about the power of love and forgiveness. It is a reminder that even the most broken families can be healed, and that the Christmas spirit can work miracles.
