- The addition of new questions on topics such as vulnerable road users, hazard perception, and road safety.
- A change in the format of the test, with multiple choice questions now being used instead of true or false questions.
- A reduction in the number of questions from 50 to 40.

## How to Pass the Theory Test

Passing the theory test is essential if you want to ride a motorcycle on the road. Here are some tips on how to pass:

- **Study the Highway Code.** The Highway Code is the official guide to road safety in the UK, and it contains all the information you need to know for the theory test.
- **Take practice tests.** There are a number of online and offline practice tests available, which can help you to get familiar with the format of the test and the types of questions that you can expect.
- **Attend a theory test preparation course.** These courses can provide you with expert tuition and support, and can help you to improve your chances of passing the test.
