Organized by the International Federation for Information Processing (IFIP), IFIPIOT 2024 brings together a distinguished gathering of researchers, practitioners, industry leaders, and policymakers from a wide

spectrum of fields. This prestigious conference provides a unique platform for exploring the latest advancements and transformative potential of cross-domain collaboration.

Keynote Speakers

IFIPIOT 2024 is honored to host an exceptional lineup of keynote speakers who will share their visionary perspectives on the future of cross-domain research and innovation. These esteemed individuals include:

- **Dr. Fei-Yue Wang**, Director of the National Science Foundation's Computer and Information Science and Engineering Directorate
- **Dr. Rajkumar Buyya**, Professor of Computer Science and Engineering at the University of Melbourne, Australia
- **Dr. Michel Cosnard**, Director of Research at CNRS, France

Conference Tracks

IFIPIOT 2024 encompasses a comprehensive range of conference tracks, each delving into a specific aspect of cross-domain collaboration. These tracks include:

- **Data Science and Artificial Intelligence**
- **Cybersecurity and Privacy**
- **Cloud Computing and Distributed Systems**
- **Internet of Things and Smart Cities**
- **Healthcare Informatics**
- **Business and Management**

- **Education and Learning**

Registration and Important Dates

Interested participants are encouraged to register for IFIPIOT 2024 as soon as possible to secure their spot at this highly anticipated event. The registration deadline is April 15, 2024. Early bird registration discounts are available until March 15, 2024.

Key dates to remember include:

- **Paper submission deadline:** December 15, 2023
- **Notification of acceptance:** February 15, 2024
- **Camera-ready paper submission:** March 15, 2024
- **Early bird registration deadline:** March 15, 2024
- **Registration deadline:** April 15, 2024
- **Conference dates:** May 20-24, 2024

Transformative Potential of Cross-Domain Collaboration

The Second IFIP International Cross Domain Conference serves as a catalyst for transformative advancements in diverse fields. By fostering collaboration among experts from different domains, IFIPIOT 2024 aims to:

- Accelerate the development of innovative solutions to complex problems
- Break down silos and promote interdisciplinary understanding
- Foster the creation of new knowledge and technologies

- Address societal challenges and improve the human condition

The Second IFIP International Cross Domain Conference (IFIPIOT 2024) in Tampa, Florida, USA, promises to be a groundbreaking event that will shape the future of cross-domain research and innovation. With its distinguished keynote speakers, comprehensive conference tracks, and transformative potential, IFIPIOT 2024 offers an unparalleled opportunity for participants to engage with leading experts, exchange ideas, and drive the advancement of technology and society. We warmly invite you to join us in Tampa for an unforgettable experience that will redefine the boundaries of cross-domain collaboration.

For more information and registration details, please visit the official IFIPIOT 2024 website at <https://ifipiot2024.org>.
